SPLICE Child & Family Project

On Tuesday 14th November, as part of their Change Makers topic, Years 5 & 6 were visited by SPLICE child and family project.

Both classes prepared a range of questions to ask about the work that is carried out to support families in Bridgend County. Following this visit Year 5 decided that they wanted to support SPLICE by writing letters to ASDA and other supermarkets in Bridgend to ask for donations.

Children in Need

Thankyou for your kind donations! It was lovely to see so many pupils supporting the charity event on Friday, 17th November. We are pleased to be able to tell you that as a school we raised £146, which will be used for good causes.

Community Garden

Year 5 and 6 are very pleased to have been asked to work with sculpture Nigel to design and create individual ceramic tiles. These tiles will feature in the new community garden being created on the wasteland behind Pyle Swimming Pool.

Councillor Gebbie

On Thursday 16th November, as part of their topic 'Changemakers', year 5 and 6 pupils were able to meet and talk to local Councillor Jane Gebbie.

Councillor Gebbie discussed and answered questions about her daily duties and what being a councillor means to her.

Online with a Lord

On Wednesday 8th November, Year 6 pupils met and posed their questions to Lord Browne of Ladyton. This was organised through UK Parliament and provided pupils with the opportunity to learn about Government, the House of Commons and House of Lords. Pupils applied their learning in the live session to writing a biography about Lord Browne.

Remembrance Sunday

Year 6 made crosses with poppies to remember those who gave their lives in wars gone by.

Jack and Caelan attended the service at the Cenotaph in Kenfig Hill and laid a wreath on behalf of the school to pay our respects.

It is very important that we don't forget the sacrifices that were made by people who have served in military conflicts.
