## Communication

### Appeal to all parents / carers

All parents/carers should be using the SIMS Parent App. You need to check the app daily for information. Miss Morgan held a SIMS parent app meeting on Friday 16th September. No parents/carers attended the meeting. Therefore, we as a school presume that all parents/carers are now using the app and do not need any help.

In the coming weeks we will be reducing the number of letters we send out to save on photocopying costs. Therefore, you must have access to the app.

It is very time consuming for Miss Morgan to be constantly contacting parents/carers when children have forgotten different things.

Please use the app, if you need any help Miss Morgan is able to help you.
