A little note from your teacher:

Hi Nursery,

I hope that you are all still keeping safe and well.

I hope that you have been completing some of the activities for Nursery and have had lots of fun doing them. I am looking forward to hearing all about what you have been doing when we get back to school.

Over Christmas three nursery girls turned 4 and last week another two Nursery girls had their birthday. Happy birthday to you all. I hope that you had a lovely day. We will sing Happy Birthday to you when we are back in school.

I hope that everyone is being good and that you are all listening to your Mums and Dads. Have lots of fun with your families and remember to keep washing your hands.

Have fun completing the activities over the next few weeks. Hopefully I will see you very soon. Be good and always show good listening!!

Love from Mrs Rees X
